### Education Coordinator Program

#### **The Education Coordinator Program is Open for Registration**

This NVIT-accredited diploma program is designed to be versatile and to ladder into business administration and teacher education degree programs. Registration is open to everyone, with registration priority given to Band Education Coordinators.

#### **About the Program**

The Post-Secondary Sub-Committee of the First Nations Education Steering Committee (FNESC) is pleased to partner with NVIT to deliver a two-year diploma program designed specifically for Band Education Coordinators. The program offers opportunities for Education Coordinators to develop their skills in vital professional area such as policy development and application, career and academic counseling, financial planning, communication and computers, while enhancing their understanding of the broader educational, social and political contexts in which they work. The diploma program consists of twenty courses (3-credits each), delivered in a flexible, intensive schedule to make it possible for working individuals to participate. We are pleased to acknowledge the support of Indian and Northern Affairs Canada for components of this program.
