

**MEMORANDUM OF UNDERSTANDING**  
**ABORIGINAL POST-SECONDARY EDUCATION AND TRAINING**

**March 11, 2005**

We, the undersigned, acknowledge, that although there has been some progress in recent years, there is a need for improved levels of participation and success for Aboriginal learners in post-secondary education and training in British Columbia.

We state our intention to work collectively toward this goal within the mandates of our respective organizations and to bring in other partners as appropriate. This will be accomplished by building on our successes to date, collectively identifying needs, and implementing strategies to improve the success of Aboriginal post-secondary learners in British Columbia.
