Areas of Study – Post-Secondary Education

Purpose

When you are completing enrolment information in the *Annual Register of Post-Secondary Education Students*, you must enter both the **Area of Study - Category** (field of study) and the **Area of Study - Sub-category** (curriculum). This will help you avoid errors in the INAC Services Portal.

Use this document to help you find the Category and Sub-category that best describes the area of study in which a student is enrolled.

Areas of Study

The Area of Study - Category is a list of large categories. When you select a category, the Area of Study - Sub-category is populated with related specializations.

Note: The Sub-category of *University and College Entrance Preparation program (UCEP)* is under the Category of *Other*.

The following table contains the available areas of study according to their academic field.
