- Monitors software/hardware and Education Technology trends and issues so proactive solutions can be implemented as needed;
- Coordinates training for First Nations schools;
- Communicates effectively with Central ICT Helpdesk;
- Manages all ICT related equipment in the schools, namely computers, printers, AV equipment, photocopiers, fax machines, fax services, and network servers;
- Manages the collection and entry of data for the projects required;
- Provides administrative assistance to other members of the ICT team as needed.

Required Education and Experience

- A network certificate or diploma;
- A minimum of one year of network support and program coordination experience in a busy office environment; or
- A minimum of one of equivalent combination of experience and education.
- This job requires a valid class 5 driver's license, so please confirm this in your cover letter;
- Ideally experience on First Nations or First Nations education in BC.
- Ideally currently residing in the Okanagan region or Kamloops area.

Hours of Work:

This is a full-time position. 35 hours per week. However, the nature of this position is such that some additional time with notice may be required and there is a possibility of work on weekends or during the evenings.

Contract:
