VANCOUVER, BC - NOV 28-30, 2019

Call for Exhibitors

Thank you for your interest in being an exhibitor at the First Nations Education Steering Committee Indigenous Education Conference at the Westin Bayshore Hotel, Vancouver, British Columbia.

This is a province-wide conference that brings together educators and education administrators to share effective practices in Indigenous education and to promote networking. Based on previous years' experience, we are expecting about 800 conference attendees.

We are seeking approximately 35 exhibitors this year, and will be including exhibitors representing the following categories: Art/Gifts, Books/Classroom Resources/Education Technology, Post-Secondary/Training/Awards, and Partners/First Nations Non-Profit Organizations.

Application Process

Applications are due **September 4, 2019**
Exhibitor application forms are available
at www.fnesc.ca/conference

We anticipate receiving more applications than available tables and will be evaluating each application, so please provide adequate information in your application. Exhibitor applications will be evaluated based on relevancy to our conference, quality of products/information, and year-to-year exhibitor variety. It is helpful to have a comprehensive application that includes images.

In mid-September, exhibitors will be contacted individually to confirm whether they have a spot and for table selection and payment.
