Physiotherapist

The First Nations Education Steering Committee (FNESC) is currently looking for a dedicated, energetic Physiotherapist to join our hard working team who work collaboratively and diligently to improve education for all First Nations students in BC. Since 1992, FNESC, led by a strong and diverse board of over 100 First Nations community representatives, has worked in partnership with the First Nations School Association (FNSEA), and the Indigenous Adult Higher Learning Association (IAHLA).

The Physiotherapist (PT) is part of the FNESC Special Education team and will provide the necessary assessments, student programming, and community and staff training as required. The Physiotherapist will collaborate with the FNESC Special Education team to develop a realistic approach to addressing the physical needs of students.

Services to be provided by Physiotherapist:

- Collaborate with school staff, parents, and community members where applicable to develop a realistic approach to addressing the physical needs of students within the resources available;
- Provide physiotherapy assessments for screened students at assigned First Nations Schools;
- Provide summary of strategies/techniques to develop students' skills;
- Collaborate with the FNESC multidisciplinary team assigned to the school.
- Provide data, statistical reports as required to meet program accountability requirements and identify and implement strategies to increase program success;
- Administrative duties include but are not limited to the collection of data from school visits; monthly written report for the Manager, Special Education; completion of necessary paperwork to meet the requirements of finance and personnel policies.

Qualifications/Requirements:

The position will require an individual with the following knowledge, skills and personal characteristics:

- Current registration with the College of Physiotherapists of British Columbia (CPTBC) and a Master's Degree from an accredited school of Physiotherapy;
- Demonstrate experience and clinical competence including successful observation, assessment, and therapy skills ;
- Ideally experience working with First Nations in the field of pediatric physiotherapy;
- Comprehensive understanding of First Nations education issues and First Nations issues in British Columbia.
