This is a full-time, permanent position with most of the work being done between 8:30 a.m. and 4:30 p.m. However, the nature of this position is such that occasional work outside of those hours, including weekend work, may be required.

FNESC requires that all FNESC staff be fully vaccinated for COVID-19 for two reasons: First, because FNESC takes its responsibility to create and maintain a healthy workplace very seriously. And, second, because many of our staff attend First Nations communities in-person. Some First Nations have unique requirements and vulnerabilities related to communicable diseases like COVID-19, and FNESC always respects the needs of First Nations.

We thank everyone who applies for their interest in FNESC. Unfortunately, due to the volume of applications, we are only able to respond to those applicants who are selected for an interview. We cannot respond to telephone or email inquiries.
