FINANCIAL MANAGEMENT POLICIES AND PROCEDURES MANUAL - IV. TRAVEL CLAIM POLICY

1 General

- a All travel expense claim forms must be submitted within 30 days of the event for which they are being claimed.
- b During Board meetings, two attendance sheets will be circulated, one first thing in the morning and one at 3pm in the afternoon. Board member travel will be fully reimbursed only to those Board members who sign the attendance sheet, which will be circulated at 3pm on the day of the Board meeting. If a Board member signs the morning attendance sheet but not the afternoon attendance sheet they will be reimbursed for 50% of their travel costs only.
- c During all meetings for which FNESC requires attendance, travel reimbursement will only be made in full, if the participant attends for the duration of the meeting. If a participant only attends for part of the meeting only partial reimbursement may be forthcoming.
- d Individuals are responsible for making their own travel arrangements.
- e Travel arrangements must result in the most economical use of resources.
- f An individual's expense claim form must include the appropriate receipts, where required, the purpose of the trip and the details included on the expense claim form. The individual must verify that they have not claimed the expenses through another organization, or received a travel advance.
- g Bands, councils or schools claiming reimbursements for their members or representatives may submit photocopies of the receipts verification that they have retained the originals.
- h Charge card slips will not normally be acceptable as they do not provide sufficient information for auditing purposes.
- i Claims will be reviewed by the appropriate department and adjustments will be made to bring them in-line with policies prior to cheques being issued.
- l The Society travel rates will be aligned with the Federal Government rates and updated as the Federal rates change.

2 Travel by Automobile

- a Actual return mileage will be reimbursed, at the rate established by the Treasury Board of Canada from time to time, unless it exceeds the cost of economy air fare, then only the amount equivalent to air fare and ground transportation will be reimbursed.
- b Expense claims must include the point of origin and the destination as well as the actual kilometers.

3 Meal Allowances

Breakfasts, lunches and dinners will be reimbursed at the Society rates indicated on the claim form and do not require receipts. However, the full allowance amount cannot be claimed if:

- a meals are provided at the meeting
- b there is only a partial day's travel
- c a meal is paid for by FNESC staff or executive.

4 Accommodations

- a Only the most reasonable single hotel rates will apply, unless more than one FNESC representative is sharing the room. When a family member or other persons accompany a representative, they are responsible for the additional charges. Original receipts are required.
- b If FNESC guarantees a room and the individual does not show up and does not cancel the room, they will be billed for it.

5 Vehicle Rentals
